The Honorable Rose DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Taxiway Hotel Extension, AFW, City of Fort Worth, TX in Fiscal Year 2027. The entity to receive funding for this project is the City of Fort Worth, Texas. The Taxiway Hotel Extension Project would further the expansion, jobs creation, and tax base for the airport. Specifically, The Taxiway Extension would allow existing maintenance, repair and operations (MRO) located at the airport to expand as well as open up additional airport property to aviation related MRO's creating jobs and economic growth to the airport and top the region. The Alliance development has been centered around the airport and this project will continue that record of job creation and add to the significant economic impact Alliance Texas has had on the North Texas area. For these reasons, this project is a good use of taxpayer funds. The project has a federal nexus because it is authorized under the Airport and Airway Improvement Act of 1982.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brandon Gill  
Member of Congress
